When you work with Maxim, you'll have an account manager who knows your name, just one phone call away whenever you need. And if there are any dramas, you can chat with one of our big bosses no problems. That's the type of personal service a big corporate can't match.

And you'll be in good company!

We're tried and trusted by everyone from the Department of Education, to two-classroom schools on the edge of the outback. So whether you're stocking the staff room or launching a new high school, our team are your team.
